Probability		Risk Level		ı	Project impact	
		X		X		Impact on my workrate as a result of being ill or having to take care of someone who is ill
Χ					X	would leave me unable to continue working until a replacement could be sorted
Χ				X		Will inevitably slow my progress down putting more pressure on the completion time of the project
	X			X		will mean that I do not have a complete build on the day of my presentation

	T
Proximity / Length of impact	Response strategy
Ongoing	Wash hands and hand santise regularily as well as follwing the latest government guidlines to minimize the potential risk of encountering teh virus in teh first place.
1 week	Maintain good practice in teh upkeeo and storage of my laptop as well as ensuring a clean working environment e.g. no nearby drinks
Ongoing	Rely on the resources provided to me as well as consolidating my learning as I progress.
ongoing	Manage time effectivly using supporting tools such as Jira board
